

Great Lakes Water Management Agreement The Compact

The Governors of the Great Lakes states signed a Compact agreement in 2005 to ban major diversions of freshwater from the Great Lakes. In 2008, Indiana will consider legislation proposed by the Department of Natural Resources to ratify that Compact.

The public is invited to meet with Indiana Department of Natural Resources staff and representatives of conservation groups and business groups that are supporting the compact.

September 26, 2007

6:30 p.m. to 8:30 p.m. (Eastern Time)
